

June 5, 2020

Dear Residents and Family,

We recently conducted over 300 COVID-19 tests of Brewster residents and staff, all of which were negative for the virus. This number included targeted follow-up retesting to confirm the results of the first round of testing. We have no active cases of COVID-19 on Brewster campus.

Shawnee County began its first phase of re-opening just over one month ago. I am pleased to announce we will begin our first phase June 8. We are implementing a formal protocol to provide structure for family and others to visit in outdoor areas of campus. Independent Living residents are encouraged to share this protocol with their friends and families. The following guidelines have been developed to bring visitors safely onto campus beginning June 8. Separate protocols will be established for residents and visitors of Brewster Health Center and Assisted Living.

- Off campus visitors are not allowed in any building on the Brewster campus. This includes private residences.
- Individuals must maintain at least 6 feet distance from each other.
- Groups must remain at least 15 feet from any another group of residents or visitors.
- Groups of residents and visitors are limited in size to 8 or fewer total people.
- Residents and their visitors must select locations that respect the ability of other residents to safely enjoy campus spaces and amenities.
- Visitors must register for their time on campus through the sign up service available on our website [www.Brewsterliving.org](http://www.Brewsterliving.org). Residents may register their guests through the website, or by calling 274-5000.
- Visitors must wear face coverings while on campus.

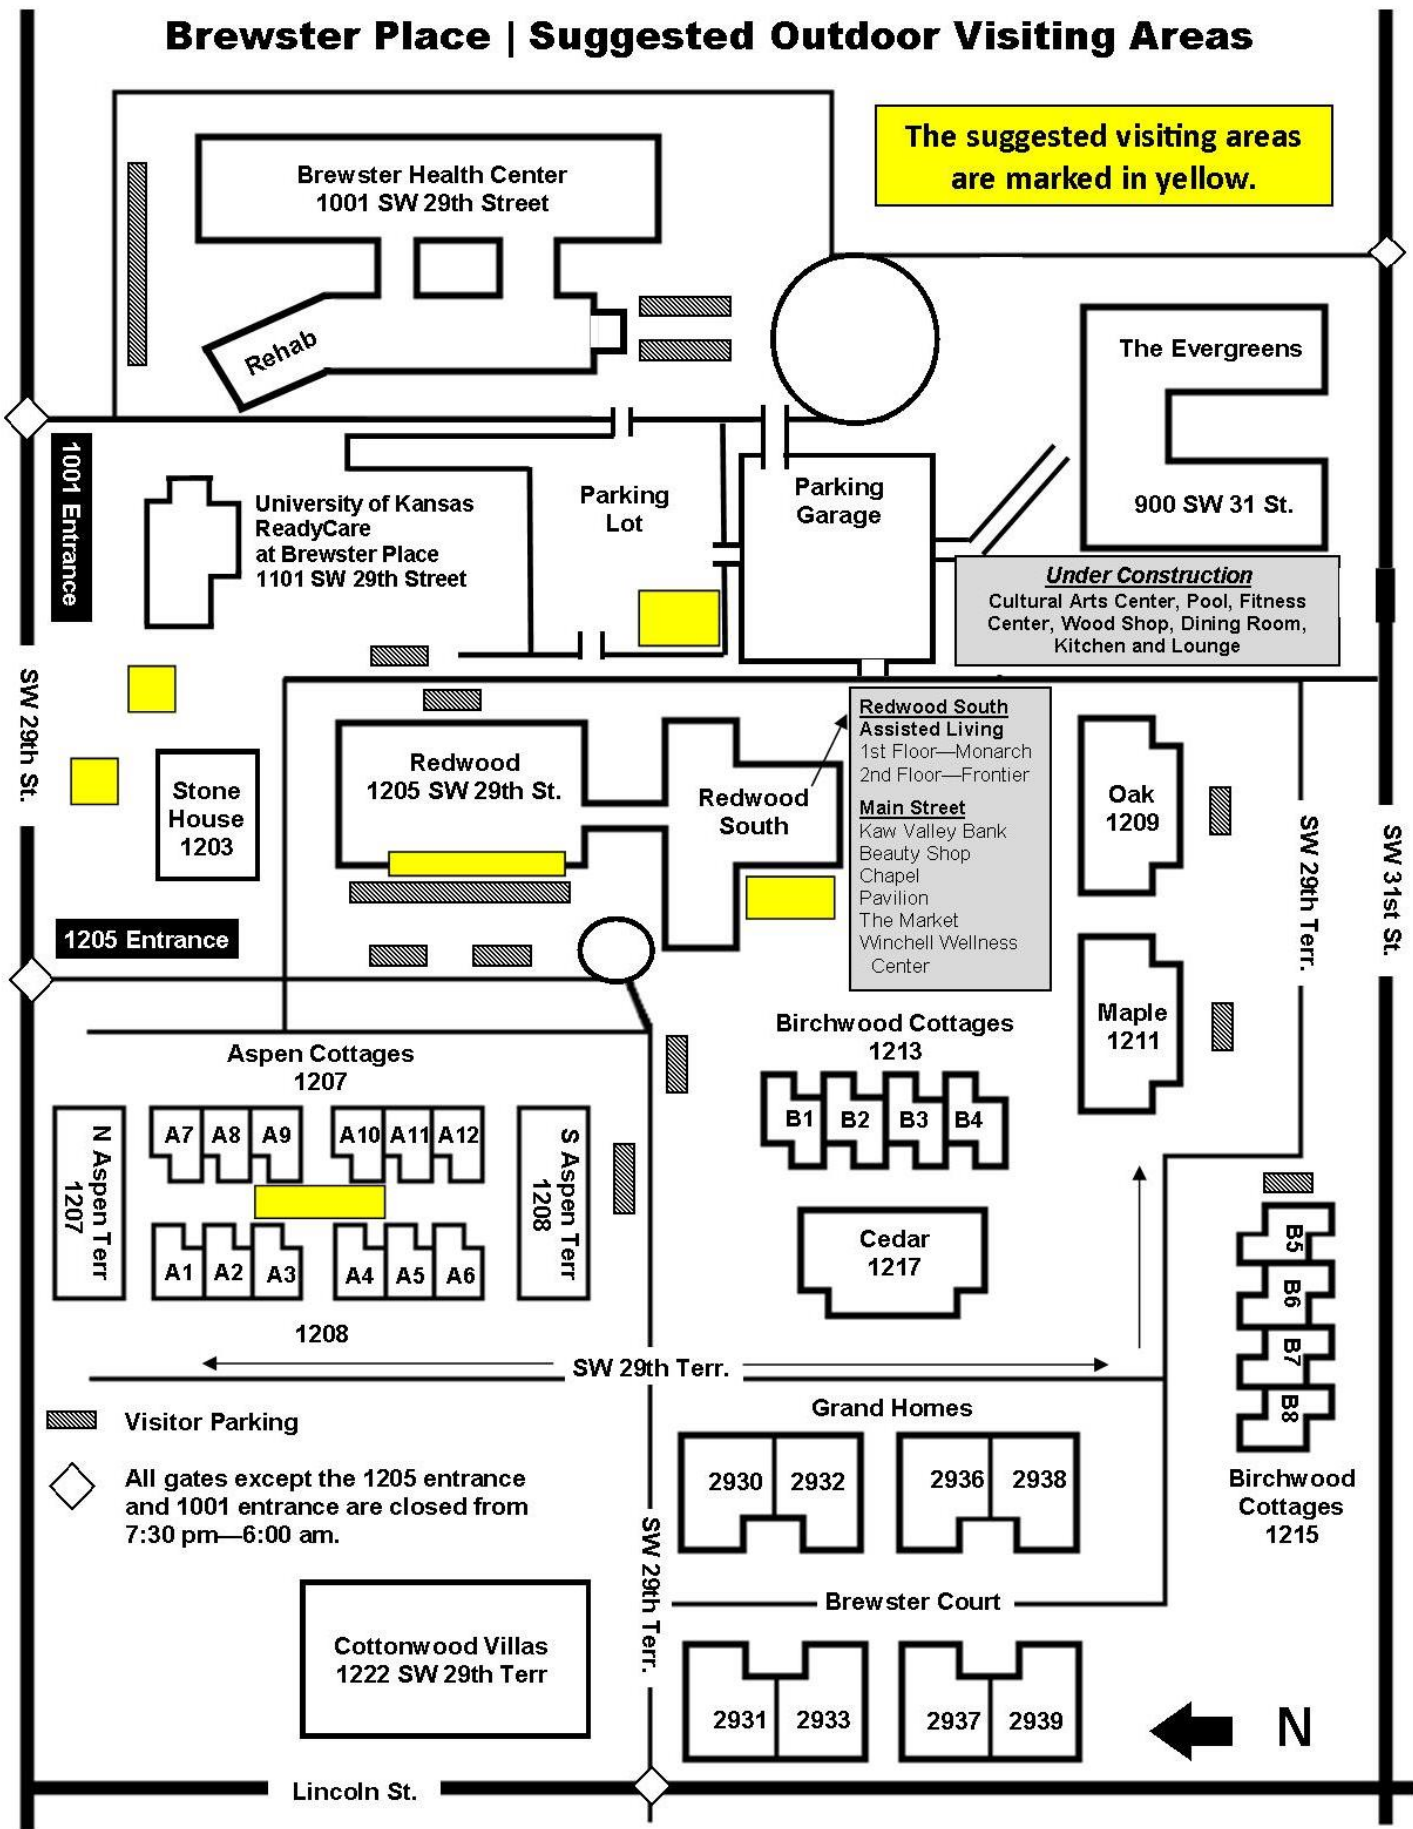

We have attached a campus map with suggested locations for outdoor visits. These are suggestions only. You may visit in any manner that meets the criteria above.

Please contact Serena Kent at 274-3395 if you have questions about bringing guests on campus for outdoor visiting. Thank you.

Joe Ewert  
President and CEO

# Brewster Place | Suggested Outdoor Visiting Areas

The suggested visiting areas are marked in yellow.

**Redwood South Assisted Living**  
 1st Floor—Monarch  
 2nd Floor—Frontier
