COVID VACCINATION CLINIC FOR ALL BREWSTER RESIDENTS JANUARY 14

Representatives from CVS Pharmacy will be vaccinating all Assisted and Independent Living residents in the **Cultural Arts Center** at the Brewster Events Center this **Thursday, January 14**. You must have submitted a consent form to Brewster by close of business last Friday (Jan. 8) to receive the vaccine this week. Please use the schedule below to assure crowds do not form as people wait. Please do not form a line until your designated time.

- 10:00 am - 10:30 am – Assisted Living residents
- 10:30 am -12:00 pm – The Evergreens residents
- 12:00 pm - 12:50 pm -- Oak, Maple, Cedar residents
- 12:50 pm - 1:50 pm -- Birchwood, Grand Homes, and Cottonwood Villa residents
- 1:50 pm - 2:50 pm -- Aspen Cottages, South and North Terrace residents
- 2:50 pm - 3:50 pm -- Redwood residents

Transportation will run through campus to assure residents who need transportation to the Cultural Arts Center receive it. This is also a great opportunity to use the new bridge to travel indoors from Redwood through the Veterans Hall of Honor to the Cultural Arts Center.

Once arriving at the Cultural Arts Center, you will complete an additional form for CVS. This form will be coupled with a copy of your insurance card. **(Please bring your Medicare or other insurance card with you the day of the vaccination in case there is an issue with the copy attached to your original consent form)**. The shot will be administered into your upper arm. Please dress appropriately. As always, face coverings are required and social distancing must be observed.

If you have questions regarding the COVID-19 Vaccination Clinic, please contact Director of Community Health Services Elise Leonard at 274-3385 or Serena Kent, Director of Resident Services, at 274-3395.
