

February 11, 2022

Dear Residents and Family,

We currently have zero residents testing positive for COVID-19. The number of residents, family, and staff reporting potential exposure to an active case has also fallen dramatically since January. Positive cases have fallen nearly as quickly as they rose during the last wave of virus in Shawnee County. This is good and expected news.

As of today, we are no longer requiring masks be worn inside the common spaces of Brewster Independent Living. Masks must continue to be worn within the Brewster Health Center and Assisted Living.

As always, I am here to answer your questions and concerns. Please do not hesitate to contact me for any reason.

Joe Ewert
President and CEO
