Our Mission

Brewster Place is a retirement community providing all of its residents opportunities for an optimal quality of life.

The Brewster Health Center is accredited by The Joint Commission.

Resident Council Is Where It's At!

Join us for an update on our upcoming construction projects and other great things happening on the Brewster Campus!

by Claudia Larkin, Vice President and Chief Operating Officer

As I move around our Brewster campus, what I enjoy most is interacting with our residents. We talk about all kinds of things — from the great work provided by members of our awesome staff, to last night's dinner offering. These days, however, one of the questions I'm asked most often is, "What's the latest news on the Cottonwood Villas and the expansion happening on the south side of campus?"

After much work and planning, we're happy to report that all aspects of our upcoming construction projects have been approved by the Brewster Board and much of the design work has been finalized. In fact, construction on the Villas will start in July!

With President Diana Siegel's permission, the staff report offered at July's Resident Council meeting will be a PowerPoint presentation offering residents a thorough review of the upcoming campus additions. The presentation will be offered by our visionary President and CEO and main mover on this project, David Beck.

If you haven't been to a Resident Council meeting lately, you're missing out on some great information. In addition to a staff report, we have wonderful Resident Council Representatives reporting on the tremendous work they are doing all over campus — beautification projects, Brewster history, recycling efforts, restaurant services, new resident welcome activities, and more. Their reports are the highlight of this bi-monthly meeting. So, mark your calendars and I hope to see you there! ■

Words from Wellness | KU Audio-Reader on BPTV 1961

by Eileen McGivern, RN, BSN | Vice President Wellness and Community Initiatives

Brewster Place is excited to share the news of collaboration with Audio-Reader/KANU radio, Lawrence. Audio-Reader is now being offered on one of our two closed-circuit television channels, BPTV 1961. BPTV 1960 will continue regular programming with music, movies, announcement screens and church services.

Audio-Reader began in October of 1971. The founder, Lawrence philanthropist Petey Cerf, was reading to a friend in a nursing home and decided there had to be a way to share this information with more than one person. After a trip to Minnesota to visit Radio Talking Books in St. Paul, she approached the University of Kansas and its public radio station about providing a "reading service for the blind." Audio-Reader began in 1971 by broadcasting on the sub-channel of KANU radio. The signal reached about a 50 mile radius of Lawrence. Since then, Audio-Reader has expanded

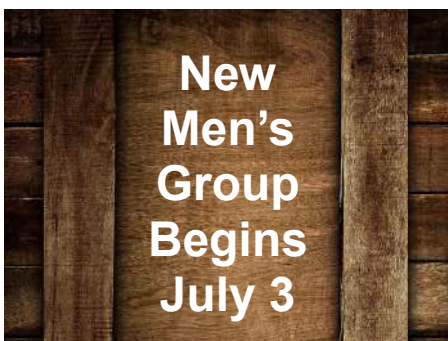

to provide service across Kansas and Missouri and is accessible to anyone, anywhere, via the Internet.

Although the initial population served by Audio-Reader was the visually impaired, the goal now is to serve anyone who may be challenged by reading printed materials. This can include people who deal with arthritic hands, fibromyalgia, or other issues with dexterity.

The emphasis of Audio-Reader is providing current, LOCAL, print information. All reading is done by community volunteers. The volunteers read obituaries from every newspaper, grocery store ads, discount store ads, newsletters, magazines, and books. These programs are aired on a set schedule. Audio-Reader's broadcast schedule is available at <http://reader.ku.edu/program-schedule> or large print copies are available in the Redwood Office and the Evergreen Office. Copies can also be sent out via campus mail by calling Janis Swanson, 274-3389. ■

A new men's group for Brewster Place residents and BrewsterConnect members is beginning in July! The purpose of the group is to enhance older —

or shall we say more seasoned — men's holistic health needs. This includes not only physical health, but emotional and spiritual health, as well. An additional bonus for partici-

pating is simply to enjoy each other's company.

Those interested, please contact Tim McManus, Spiritual Wellness Support Specialist at 274-3310.

Topics Include (but are not limited to):

- Married Life/Family
- Social Life
- Careers
- Retirement
- Adapting to Change
- Aging
- Finances
- Spirituality
- Loss and Bereavement
- Exercise/Fitness
- Depression
- And, of course, Sports! (Perhaps this should come before the subject of depression depending on how your team is doing!) ■

Blessing of the Buildings Redwood and The Evergreens

As mentioned in the June Brewster News, two of our biggest buildings on campus will be renamed. In keeping with the “tree theme” that we have established with other buildings on campus, the Main Building — our original, tall strong, and enduring building — will now be called Redwood. Known for its vibrancy and vitality, Brewster East will now be called The Evergreens.

We invite you to join us as Chaplain Roger leads us in a special “Blessing of the Buildings” on Monday, July 10. ■

National Night Out

National Night Out 2017 is August 5. This is a community policy awareness-raising event in the United States. National Night Out was created to increase awareness about police programs in communities. Some of these programs include:

- Drug Prevention
- Town watch
- Neighborhood watch
- Other watch programs

This year’s National Night Out will be held on Saturday, August 5. We will have activities and food here at Brewster Place to promote awareness to this important campaign. Look for more information on BPTV and your weekly bulletin. ■

Candidate Forums

In an effort to keep residents informed during election season, we will host Candidate Forums for the Mayor’s race as well as the City Council District 5 race.

All candidates have been invited to attend. Please join us to meet the candidates and ask questions. Be an informed voter!

Primary Election Day Tuesday, August 1

The top two candidates from each race will move on to the General Election.

From the Chaplain | I Pledge Allegiance to the Lamb

by Chaplain Roger Jackson, M. Div.

July marks our nation's Independence Day. Families celebrate in a variety of different ways. Some picnic, while others barbecue. Some go camping, and still others light fireworks. You might stay up later than usual to watch the city's fireworks display.

We enjoy our freedom as Americans, in part, because of the men and women of our Armed Forces who paid a dear price. We enjoy many rights as Americans — to own property and homes as well as pursue dreams and make them a reality. We owe these freedoms, in part, to the many brave souls who fought and also died for this great country. But, men and women of the Armed Forces were not all who died for us. Long before July 4, 1776 there was another Independence Day.

The **first and greatest** Independence Day did not take place on the 4th of July or even in the USA. Instead, it happened on a hill called Mt. Calvary. On that day, Jesus Christ died willingly for the entire world. John 3:16 says, "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life." (NKJV)

Several years ago, Christian music artist, Ray Boltz, wrote a song entitled, "I Pledge Allegiance to the Lamb."

One of the verses says:

"Now the years have come, and the years have gone, but the cause of Jesus still goes on. Now our time has come to count the cost, to reject this world, to embrace the cross. And one by one let us live our lives for the one who died to give us life. Till the trumpet sounds on the final day, let us proudly stand and boldly say."

Then the chorus goes:

"I pledge allegiance to the Lamb. With all my strength, with all I am. I will seek to honor His commands. I pledge allegiance to the Lamb. To the Lamb of God who bore my pain. Who took my place, who wore my shame. I will seek to honor His commands. I pledge allegiance to the Lamb."

I hope that on this July 4th and throughout the month of July you will celebrate not only the birth of our wonderful Nation and the freedom we have but also the freedom God gives us because of the cross at Calvary. "I pledge allegiance to the Lamb. To the Lamb of God who bore my pain." Happy Independence Day! ■

MOVIE AND DISCUSSION

The Shack is based on the fictional best-selling book of the same name. After experiencing a devastating family tragedy, Mack Phillips spirals into a deep depression and questions his long held religious beliefs. Facing a crisis of faith, he receives a mysterious letter urging him to an abandoned shack deep in the Oregon wilderness. Mack encounters the Triune God who transforms his understanding of the tragedy and changes his life forever. ■

Hollywood vs. the Civil War

Wednesdays, July 12, 19 and 26

2:00—4:00 pm | Chapel on Main Street

The course will examine three acclaimed Hollywood movies set in the Civil War: *Glory* (1989), *Gettysburg* (1993), and *Cold Mountain* (2003). These films dealt with the African American Massachusetts 54th Regiment, the important battle of Gettysburg, and the turbulent home front in wartime North Carolina. We will supplement these movies with excerpts from two documentaries as well as written historians' comments about the movies or events relevant to these films. We will also listen to Civil War music from the period and from the movie soundtracks. Participants will learn which scenes were "History" and which were "Hollywood."

Instructor

Carl Graves holds a master's degree in U.S. history from KU and a Ph.D. from Harvard. He taught university and community college classes and was a high school instructor at The Pembroke Hill School in Kansas City, where he created a Hollywood vs. the Civil War mini-course after touring Southern battlefields.

KU Osher Class Coming in October!

Kelly Hunt Presents Joyful Singing for Everyone

Medical research shows that singing can reduce stress, release endorphins, lower blood pressure and allow you to literally breathe easier. Plus, singing in a group helps build confidence and connection with others. In this class, you'll learn safe, easy ways to find and use your voice in a group setting, including relaxation/warm up techniques and active listening. Reading music is NOT required and you will not be asked to sing alone. As Ella Fitzgerald said, "The only thing better than singing is more singing." Expect to leave energized, uplifted and inspired!

To Register:

Brewster Place residents, BrewsterConnect members and Live Well at Home by Brewster members attend for free. Please call Jamie at 274-3398 for reservations.

For those coming from off-campus, please call 785-864-5823 for registration and fee information. ■

Trash & Treasure SALE

Friday and Saturday

August 4 and 5

Donations welcomed until Friday, August 21. If you need assistance bringing your items to the Klinge Activity Center, please call Kim Jenkins at 274-3399.

Remember, all proceeds from the Trash & Treasure Sales benefit the Brewster Service Fund. The money is allocated for programming needs at Brewster Place. ■

Helpers Needed!

Brewster Place Annual Charity Bazaar Coming in November

Projects of all shapes and sizes are in the works for upcoming Bazaar, and many hands make light work. If you would like to have projects to work on at home, contact Joline at 274-3317, and she'll fix you up. You are also welcome to attend Workshop & Quilting to work on projects. Every Monday-Wednesday-Friday from 10:00 am—Noon, Joline and the group meet in the Redwood Penthouse Art Studio to work together on projects. Come join the fun and creativity — coffee is always served and sometimes cookies! ■

I enjoy the transition from spring to summer — kids are out of school, summer vacations are getting started, and the excitement of the annual Topeka Gives event! On June 6, the Brewster Foundation participated in the 5th annual Topeka Gives event hosted by the Topeka Community Foundation.

Topeka Gives brings together not-for-profit agencies from Shawnee County for a day to meet and greet people, make friends, and build collaboration for projects in our community. Most importantly, it is also a great day of giving to our community. The 2017 event brought in a total of **\$595,665.00**. This incredible amount is ***dollars given in Topeka in just one day!***

The **Brewster Foundation received \$3,042.79** from the Topeka Gives event with \$2,600 being donated and an additional \$442.79 in matching funds from the Topeka Community Foundation. This is a wonderful amount, but even more importantly, we were able to spend time speaking to people in our community about Brewster and all we have to offer. Many people are unaware that Brewster is a not-for-profit organization and that our Foundation has many funds that lend support to our residents, staff, and community. In this respect, Topeka Gives was an outstanding success!

Sometimes, we hear people say, “Why should I give? My gift will be so small that it won’t make a difference.” When

we hear in the news that someone has given a \$23 million gift to a university, or to build a hospital wing, or another noble cause, that makes us feel that our smaller gifts aren’t important.

The Topeka Gives event teaches us that each and every gift makes a difference — no matter the size. The average gift this year at Topeka Gives was \$160. Obviously, we would be happy to accept a \$23 million gift, but we value, love, and survive on the kindness of each and every gift — no matter the size.

The Brewster Foundation works to make sure that we receive a steady flow of gifts during the entire year. We do that by working with those who value us and by structuring gifts that work for each donor. Sometimes we are able to provide a **Charitable Gift Annuity**

that provides a small payment back to the donor and provides tax advantages. We can help by structuring your required minimum distribution to be paid directly to the Foundation to assist in your tax situation. The Brewster Foundation often receives the wonderful compliment and honor of being listed as a memorial designation from one of our special residents who has passed away.

We should all be proud of the Topeka Gives results. It shows that caring for others and the community around us is alive and well in our part of the world. We should also be thankful that it is all of us working together to create one big, beautiful, thriving community that makes our campus such a wonderful place to be. The Brewster Foundation thanks you for your continued support! ■

Retirement Reception for Phyllis Lansford

Phyllis Lansford has worked for Brewster Place for 18 years and has decided to retire. Her last day at Brewster Place came at the end of June. We will celebrate Phyllis’ service on Thursday, July 27 at 3:00 pm in the Klinge Activity Center.

Phyllis has been a dedicated staff member in our marketing department — making sure our campus stays full with vibrant residents. It’s hard to imagine how many people she has impacted in her years of service. Please join in the celebration and wish Phyllis a fond farewell! ■

KSNT Meteorologist Matt Miller

Thursday, July 6 | 10:00 am | EV CR

The July Foundation Forum will feature KSNT weatherman, Matt Miller. Matt was to join us in June, but was unable to be here due to illness. We look forward to welcoming him to our July Forum! Matt will discuss the total eclipse of the sun that will happen later this summer. Matt is the Chief Meteorologist at KSNT. He is passionate about this topic and always loves to talk about the weather. Matt enjoys the challenges that forecasting in the Midwest provides. He has three children and is very active in their community with their many activities. Please join us for this informative presentation. ■

Dillon's Community Rewards Program

Did you know if you shop at Dillon's and have a shopper's card, you are able to designate a percentage of your sales to the Brewster Foundation under their Community Rewards Program?

Community Rewards

It's easy to sign up! Just visit Dillons.com and set up an account, which registers your Dillon's Plus card. Once you

have done that, go to the Community Rewards section of your account page, click on "Enroll Now" to choose the Brewster Foundation as the organization you want to support. This does not cost you anything, and will be a benefit to the Brewster Foundation!

If you do not have access to a computer or need help signing up, please visit Jeremy Hall or Gaylene Dibbern in the Foundation Office and we will assist you. You must have an e-mail address to sign up. Be sure to bring your Dillon's card!

Please share this opportunity with family and friends. ■

Brewster Place Residents: Change In Food Pricing

A reminder that on July 1, ala carte prices will be going up slightly at The Evergreens (Brewster East) and the Market.

At the Greenleaf Restaurant in Redwood (Main Building), all prices remain the same for residents—ala carte ordering is still available for breakfast, and a flat \$10.10 covers anything residents choose to eat off the lunch and dinner menus. Catered Living residents will see no changes to their meal plans. What IS changing is the price for a guest meal at the Greenleaf, which increases to \$12.00 and includes anything a guest chooses to enjoy off of the Greenleaf menu, including beverages and dessert.

As always, **these prices include all sales tax and tipping is not allowed.** ■

Special Excursion to St. Joe | View the Total Solar Eclipse

Excursion to St. Joe, MO
Monday, August 21, 2017
8:30 am | Lobbies

Call Jamie at 274-3398
for reservations.
Cost is \$30

The total solar eclipse of June 8, 1918 crossed the United States from Washington State to Florida. This path is roughly similar to the August 21, 2017 total solar eclipse and was the last time totality crossed the nation from the Pacific to the Atlantic. (*greatamericaneclipse.com*)

A total solar eclipse occurs when the new moon comes between the Sun and Earth and casts the darkest part of its shadow, the umbra, on Earth. A full solar eclipse is almost as dark as night. Monday, August 21, 2017 is a special day as it's the next time a total eclipse of the sun will occur — and we won't see another until 2205!

We have planned a special excursion to view this incredible sight. Join us as we venture north into the direct path of the eclipse in St. Joseph, Missouri. St. Joseph is the 5th largest city along the path, where you will experience just over 2 minutes and 38.6 seconds of totality, only 1.4 seconds short of the maximum time possible along the path.

The Brewster bus will depart at 8:30 am so we won't miss any of the action. We will enjoy a picnic lunch, don our special eclipse glasses and sit back and watch this once in a lifetime scene.

If you would like to attend, please call Jamie at 274-3398 for reservations. You must bring your own lawn chair. The cost of the trip is approximately \$30. ■

Feed Your Mind, Body and Soul Enjoying Nature

Below: Kathy Howard can be found outdoors often as she tends to her garden or enjoys coffee with friends. When complimented recently on her garden, she said, "Isn't it marvelous what God can do!"

Above: Bill Douthett, like many of our residents, enjoys gardening. Many grow vegetables while others fancy flower gardening. Either way, being outside is great for your mind, body and soul!

Below: Betsy Packard joined a group outside The Evergreens at the gazebo for coffee, conversation and quite a few laughs. You can't beat that!
