

State-of-the-Art

Creative Arts Studio

The Creative Arts Studio at Brewster Place is a vibrant, thoughtfully designed space that inspires creativity, learning and connection. Designed for artists of all experience levels, the studio provides dedicated space for quilting, painting and a wide range of arts and crafts creations.

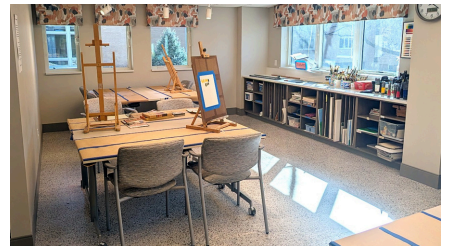

Quilting Studio

A Spacious, well-lit workspace equipped with large cutting tables, sewing stations, and design walls for quilters of all skill levels.

Painting Studio

Naturally lit space featuring adjustable easels, large worktables, and supply/storage for watercolor, acrylic, oil, and mixed media.

Arts & Crafts Workshop

A versatile space for hands-on creativity including jewelry making, ceramics, fiber crafts, paper arts, and seasonal workshops

A Community for Creativity

More than just workspaces, these studios provide a welcoming environment where residents can explore new interests, develop artistic skills, and share their creativity with others.
